

Student visa France

universities/business schools

2024-2025

Assistance with preparation and admission to universities and business schools in France, as well as support with obtaining a student visa.

Advantages of studying and obtaining a student visa and residence permit in France:

World-Class Education:

Access to prestigious universities and business schools offering internationally recognized degrees and a wide range of programs in both French and English.

Affordable Tuition Fees:

Competitive tuition rates, especially at public institutions, compared to other countries with similar education standards.

Work Opportunities:

A student residence permit allows part-time work (up to 964 hours per year), enabling students to gain professional experience and supplement their income.

Advantages of studying and obtaining a student visa and residence permit in France:

Post-graduation opportunities:

Access to post-study work visas/residence permit (RECE), facilitating employment in France.

Cultural and language immersion:

The opportunity to immerse in French culture and enhance language skills, providing an edge in the global job market.

Pathway to citizenship

If you obtain a French degree and subsequently secure employment in your field of study, the required residency period for naturalization may be reduced to two years.

Eligibility Criteria:

✔ Undergraduate Programs:

Completion of secondary education equivalent to the French Baccalauréat.

✔ Graduate Programs:

Possession of a relevant bachelor's degree or its equivalent.

✔ Language Proficiency:

proficiency in French or English at B2 level.

Timing

The whole process takes around 2-4 months

based on our past experience

Duration	Process
Documents preparation for university/business school application	2-4 weeks
Decision	depends on university (from 1 week to 3 months)

FAQ

Duration of residence permit

In the first year, a visa VLS TS is issued, which is equivalent to a residence permit (titre de séjour) and is valid for 12 months. Starting from the second year, a plastic residence permit card (titre de séjour) will be issued, covering the remaining duration of your studies.

FAQ

Conditions for renewal of residence permit

Continuation of studies and successful completion of exams from the previous academic year.

FAQ

**Can the family move
also**

Family members do not automatically receive a visa/residence permit. However, they can apply for a D visa for visitors (visa D visiteur).
